

Webcast Information for the April 27, 2011, Antiviral Drugs Advisory Committee (AVDAC) Meeting:

The FDA plans to provide a live webcast of the April 27, 2011, meeting of the Antiviral Drugs Advisory Committee. *Please note that the webcast will not display until the meeting begins at approximately 8:00 a.m. EDT on April 27, 2011. Also, while the FDA is working to make webcasts available to the public for all AC meetings held at the White Oak campus, there are instances where the webcast transmission is not successful; staff will work to re-establish the transmission as soon as possible. FDA plans to post archived webcasts after the meeting, however, in cases where transmission was not successful, archived webcasts will not be available.*

The meeting webcast can be accessed at the following web address:

<https://collaboration.fda.gov/adac427/>

Note: At the access page, please sign in as a guest. No password is required.

General Information:

The webcast will be broadcast using **Adobe Connect**. You can check to determine if your computer has the correct plug-ins in order to view the webcast by accessing the following web site:

https://collaboration.fda.gov/common/help/en/support/meeting_test.htm

To access a quick overview summary of the **Adobe Connect** software visit:
